

# STORYTIME SCIENCE

Storytime Science brings STEM activities into your story time session.

Our 8-book series includes the resources to **bring science alive** as you **read** the books, asking **questions** and conducting hands-on **experiments** alongside the characters or themes in each book.

Books in our first series are:

- Different? Same!
- Do not lick this book\*
- Give me some Space!
- Humpty Dumpty
- Ouch! Tales of gravity
- The Speedy Sloth
- Mr Archimedes' Bath
- One is a Snail, Ten is a crab

This set includes a copy of each book and STEM equipment for up to 15 families with accompanying facilitator notes for each title.

**Cost of the entire set of eight is \$1500.00 with free freight!**

To order your set, or for further information, contact: [info@childrensdiscovery.org.au](mailto:info@childrensdiscovery.org.au)
